Just FYI. POM 1311 on the wire is still from March 2011. It does not show updated on our wire yet. Sorry to say. We are still looking for POM 813 as well and it is not there. All this was supposed to go live today for Refusal to fill and CSIR. I will walk over to ops and find out what's up.

Team,

The updates to POM 1311 that we discussed a few months ago are now posted. Just as a reminder, the POM no longer prohibits blanket refusals. It also provides detailed guidance around corresponding responsibility, red flags and the new RTF reporting process in Archer.

Thanks,
